

THE ST. ANDREW'S RIDGE

SPOOKY SCARECROW trail

IMPORTANT STUFF

Please note that you're taking part in this Spooky Scarecrow Trail at your own risk. We take no responsibility for any loss or damage, howsoever caused, to you, your property or any other persons during this event so be careful out there!

The numbers on this map are the scarecrow numbers and NOT the house numbers. Some scarecrows may not be on display due to circumstances beyond our control. When visiting the scarecrows, remember to be respectful of our neighbours' homes and their property. Please don't touch the scarecrows but do take lots of photos and post them to your socials using the hashtag: #TotallyCrazyHalloween
